Sustainability

Turf pitches to reduce consumption of our island's water resources, solar panels to reduce to conserve electricity resources

Social Responsibility

Support for local soccer clubs and schools; participation in community events; equipment donations

Local sponsorship is good for business

Hundreds of teams. Thousands of players.
One goal.

Each year, rain or shine, thousands of kids play soccer in Guam. With approximately 5,000 registered players, coaches, and officials, Guam Football Association is the largest sports organization on island. GFA is a non-profit and educational organization whose mission is to promote the physical, mental, and emotional growth and development of Guam's youth through the sport of soccer at all levels. Our goal for young players is to instill a lifelong passion for the sport while making it fun.

We would like to take this opportunity to invite you to become a sponsor of our organization.

FIFA®

For the Game. For the World.

Why sponsor?

The success of GFA to date is based tremendously on the donations and sponsorships from organizations like yours. Your assistance will help our efforts in keeping our youth's energy channeled in a positive direction and promoting healthy lifestyles through sports competition.

For corporate sponsors and youth teams you support, this relationship can truly be a winner.

Please review the different levels of sponsorship we offer and the benefits associated with them.

If you have any questions or would like more information about our organization, please feel free to contact us directly by phone at 637 4321 or through E-mail at info@theguamfa.com

An array of information also is available online at GuamFA.com.

Thank you for your consideration and support of Guam Football Association.
