**Approval of the Statutes and Electoral Code of the Guam Football Association**

Dear Mr. Iseke,

We thank you for having provided us on 2 August 2021 with a copy of the ratified statutes and electoral code of the Guam Football Association as adopted by your congress on 24 July 2021.

First of all, we would like to take this opportunity to extend our sincere congratulations for the excellent work done by the Guam Football Association during the course of the revision process of its statutes and electoral code to bring them in line with the requirements of FIFA and the Asian Football Confederation (AFC). These new statutes and electoral code represent a major step forward in terms of good governance and best practice within the Guam Football Association.

In this regard, we are pleased to confirm that the ratified statutes and electoral code of the Guam Football Association fully comply with our requirements and standards.

Finally, we kindly ask you to keep us informed about any future amendments to your statutes and electoral code.

We thank you for your kind attention to the above and for your valuable collaboration.

Yours sincerely,

FIFA
