FOOTBALL FOR SCHOOLS PROGRAM

January 9, 2023 - April 29, 2023

What is Football for Schools?

Football for Schools is a program that aims to contribute to the education, development, and empowerment of children all over the island. By incorporating football into the education system and collaborating with different schools here in Guam, it will allow football to be more accessible for boys and girls without discrimination regardless of abilities, race, ethnicity, gender, sexual orientation, language, culture, or religion. Many schools lack the proper equipment and qualified staff to teach football so Football for Schools is a great program to fill in that gap. This program will allow young boys and girls to develop interpersonal, intrapersonal, and cognitive skills while promoting positive attitudes. They will also gain many physical, social, and psychological benefits by playing football.

Who is Football for Schools for?

This program is for children ages 4-12 who are currently attending a Guam Public Elementary School.

When does Football for Schools start?

Football for Schools starts on January 9, 2023 and ends on April 29, 2023. It is a 4 month program.

Where does Football for Schools take place?

Football for Schools regionals as well as the Football for Schools Jamboree will take place at the Guam Football Association.

How can students participate in the program?

Check with your school administrator on how to participate in the Football for Schools Program.
