- All players must sign an amateur contract to play for the club before the start of the season.
- Once a player signs a contract for a club and plays in an official match, he/she must play for that club and may not transfer to another club until the designated transfer window.
- The transfer window shall be determined by the competitions department and will be communicated before the start of the season.
- All transfers require the Transfer Request Form (TRF).
- The TRF shall have the following completed:
 - Signatures of the player, selling club, and buying club.
 - \$.80 payment to the GFA Main Office or via online payment.
 - For any player under 18 years old, his/her parent/guardian must be present at GFA to sign the TRF.
 - GFA Office hours are M-F 10am-6pm
- The selling club must first remove the player from their teams' official roster on PowerUp before the player can then register for the buying club.
- A new contract must be signed between the player and the buying club for the remainder of the season and a new Amateur MOU must be submitted.
- An additional transfer fee may be agreed between clubs. It is recommended that the selling club does not sign the TRF until any such agreed fee is paid.
